

Little Did I Know

© Cori Connors

Travis pick – alternate bass on chorus

G /// ///

Thanksgiving evening

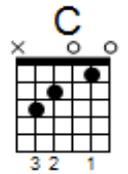

Cadd2 /// ///

My brothers and my sisters

Dsus /// **Cadd2** /// **G** /// ///

Laid our tummies on the living room floor

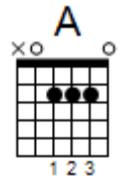

G /// ///

Pouring through the paper

Cadd2 /// ///

With crayons and markers

Dsus /// **Cadd2** /// **G** /// ///

Circling the toys we wanted that year

CHORUS:

C /// ///

Little did I know then

G /// ///

Life would bring a Mousetrap

C /// ///

D /// ///

When all I really wanted was an Etch-a-Sketch

C /// ///

Little did I know then

G /// /// **Em** /// ///

So little did I know then

C /// **D** /// **G** /// /// /// ///

What I wouldn't give now to know that much - Mmmmm

Well the Easy Bake Oven
Was a red-circle item
Santa would be groovy if he brought me that
Of course he could always bring clothes for my Barbie
A Camelot outfit with a Guinevere hat

CHORUS II:

Little did I know then
I never would be Barbie
Heaven didn't give me the stuff for such
Little did I know then
So little did I know then
What I wouldn't give now to know that much

Bridge:

C /// /// **G** /// ///
When I was a kid I couldn't wait to get older

C /// /// **D** /// ///
And now that I'm older I'd like to be small

C /// /// **G** /// ///
Some things I know now, I wish I'd forgotten

A /// /// **D** /// /// **D7** /// /
Some things I've forgotten I'd like to recall

Like how to do cartwheels
And gather up acorns
A jar full of fireflies on a summer night
The very first snowfall
Christmas vacation
Anticipation on the holy night

CHORUS III:

Little did I know then
Little did I need then
Just what I could reach out my hand and touch
Little did I know then
So little did I know then
What I wouldn't give now to know that much
